What your donation will mean to us

Legacies and donations to The Sussex Deaf Association are important and vital to continue the support and club services throughout Sussex for future generations to come.

Leaving an amount to SDA no matter how big or small really makes a difference and you do not have to be rich. For instance 5% or more of your estate will help SDA.

If you, your family and friends need help from us and our charity ceased to exist, where would they go?

Many people in the past who have left money in their Wills to SDA have helped greatly. Without support like this our charity would not exist.

Next time you make a Will, think about leaving something, no matter how much to The Sussex Deaf Association.

Please help SDA's work carry on for another 100 years. Please remember us in your Will.

Thank you
